<p>Tourism Sector Deal - Mary Powell</p> <p>MP presented a paper to the Board and a discussion took place on regarding current Board representation and how the Board could help lead a Tourism Sector Deal. Has the current board got the right skills set.</p> <p>SJ - the VEB needs to be a leaner strategic board with a decision making power, current terms of reference does not allude to this.</p> <p>Future agenda items need to be driven by key decisions and making the GLLEP work strategically - at the moment the board is an "update" meeting. The Board should be able to challenge the GLLEP and take a strong voice to the table.</p> <p>At conferences VEB members have a strong voice and presence with a lot to say, this needs to continue at Board meetings to steer and influence policy and decision making. The Tourism Sector Deal opportunity is a good time to review the Board structure and Terms of Reference, to include bidding for funding, and strategy development.</p> <p>It was proposed that the Board should provide the lead, provide the direction and be the decision maker for the TSD and that to cover the broad breadth of the sector deal it would be divided into sub-groups to follow the Tourism Sector Deal priorities -</p> <ul style="list-style-type: none"> • Skills • Infrastructure • Product Development • Marketing <p>Each Sub group would have a champion within the VEB but would have additional specialists from the priorities. It would be a good opportunity to map current</p>	

<p>partnerships and groups to pull people together and avoid duplication.</p> <p>MP = it could be structured similar to the Lincolnshire Waterways Partnership SJ - the servicing of the Board and Sub groups in terms of report writing is as important as the structure. The role of the secretariat becomes more onerous.</p> <p>The Board to request to the GLLEP that they receive additional resource.</p> <p>The VEB asked the Tourism Officers Group to work up more detail on how the structure/sub-groups might work. At the same time a working group from the VEB to be developed to discuss job descriptions, skills set and role for the Tourism Officers Group - Andrew, Nicki, Phil, Mike, Sukhy and Mary</p> <p>It was agreed that other GLLEP Boards should feed in - for example Clare Hughes the GLLEP Skills expert should be invited to the Skills Sub Group to drive collaboration and open up dialogue.</p> <p>When the Working group has met then the VEB will go back to the GLLEP Board with options.</p> <p>Market Failure should not be used as a measure - Greater Lincolnshire needs to think where we are exceptional and measure success as well as identifying challenges.</p> <p>Terms of reference for the Board needs to be reviewed in discussion with Chris Baron as Chair to include a sunset clause.</p> <p>.</p> <p>OUTCOMES</p> <ul style="list-style-type: none"> • MP to develop timeline of structure by 10th February 2020 • Tourism Officers to go into more detail on how the sub-groups might work • Request for Ruth Carver to attend next meeting to update on VE Priority in the Local Industrial Strategy • NR to organise a meeting with Chris Baron and Ruth Carver regarding the Terms of Reference for the group. • A communications plan to be developed for communities / businesses about the Tourism Deal • SJ to investigate how cultural events can feed into festivals for inclusive growth • National Trust Membership to Board on hold until new Terms Reference finalised. 	<p>MP to circulate</p> <p>MP</p> <p>MP</p> <p>MP / CH</p> <p>MP</p> <p>NR</p>

<p>Year of the English Coast 2021 Nicola Radford Paper circulated and discussed</p> <p>Agreed that activities should be quality and with fewer quality anchor events and activities, know our audience and celebrate all that is wonderful about the Lincolnshire coast.</p>	
<p>Any other business</p> <p>Mayflower - Emma Tatlow, work in America is going well and feeding into Lincoln, Gainsborough and Boston. There needs to be a sustainability plan for Mayflower - not just about Plymouth, Lincolnshire needs to ensure it gets the publicity.</p> <ul style="list-style-type: none"> • It is vital to get the resources to promote the Mayflower post 2020, to include Boston, and Immingham up to 2030.
