Innovate in Greater Lincolnshire

Innovation plays a pivotal role in driving business growth, and tapping into the right partnerships, investing in collaborative research, and accessing specialised funding are crucial for maximising your potential.

Taking place from 9am – 2pm
on the following dates:

Tuesday 6th June — Lincoln

Tuesday 4th July — Holbeach

Thursday 13th July — Grimsby

For the first time, the University of Lincoln, Innovate UK, and the Greater Lincolnshire Local Enterprise Partnership will be coming together across Greater Lincolnshire to provide valuable insights into the wealth of innovation support, funding mechanisms, external guidance, and academic expertise available to companies across the region and beyond.

The events are relevant to businesses across all sectors seeking to accelerate their growth through research and development, fostering new collaborations, and leveraging emerging technologies.

Expert panels and networking opportunities will provide practical guidance for developing an innovative culture within your business, highlight the available collaborative opportunities, outline available grant funding and financial support, and feature local case studies.

Attending one of the events will equip you with a solid understanding of the innovation ecosystem on both a local and national level, the routes to developing the necessary partnerships and an overview of the many forms of financial and grant support available.

Featuring experts from a range of dynamic organisations, including:

Network with other innovative businesses and hear from experts on collaboration and funding opportunities.

If you have any questions, please get in touch with Jessica Boot-Marshall, Industrial Partnerships Manager at the University of Lincoln

Keynote Speakers

Professor Andrew Hunter
Deputy Vice Chancellor,
University of Lincoln

Professor Hunter holds a Bachelor of Science degree in Mathematics and Computing and a PhD in Computer Graphics, both from the University of Bath.

Andrew worked for several years in the software industry before returning to academia, teaching Computer Science at Sunderland and Durham Universities. He joined the University of Lincoln in 2004, previously holding roles as Head of Department of Computing, Dean of Research and Pro Vice Chancellor and Head of the College of Science.

Nikki Cooke
Greater Lincolnshire LEP Board
of Directors, CEO of LIVES

Nikki has a wide-ranging background covering the commercial world, NHS and the voluntary sector. Originally from New Zealand, Nikki has spent 21 years in the UK where she has worked in commercial roles in the IT and communications and information sectors before joining the NHS, initially in a commercial role.

She became Deputy Director of Operations at Lincolnshire Community Health Services NHS Trust where she had responsibility for services across children's health, public health and urgent care.
